3. Upon completion, you will be brought back to the login screen. Verify your account via email, and then log in using the credentials you created.

4. Once you have logged in, you should be taken to a screen similar to the one below if you followed the link we originally provided. From here, you can check availability of our campsites, and view any upcoming trips you have reserved. You will notice that there is an orange warning that shows online booking has not yet been enabled for your account. Please email us at [camping@svmbc.org](mailto:camping@svmbc.org) and we will enable your account for online booking. Please include your name and username so we can enable the right account.

The screenshot shows a web browser window displaying the Tentaroo website. The browser's address bar shows the URL: [siliconvalley.tentaroo.com/admin2/facilities/106/Camp-Chesebrough](https://siliconvalley.tentaroo.com/admin2/facilities/106/Camp-Chesebrough). The website header includes the Boy Scouts of America logo and the text "BOY SCOUTS OF AMERICA SILICON VALLEY MONTEREY BAY COUNCIL". The main content area is titled "Camp Chesebrough" and lists the location as "Los Gatos, CA". There are two buttons: "NEW TRIP" and "CHECK DATES". Below this, a "Trips" section shows "0" trips, with tabs for "CURRENT" and "PAST". A message states "You have no upcoming trips at this location." At the bottom, there is a "Check Dates" section with a calendar icon and a dropdown menu set to "November 2020". The left sidebar contains "Facilities Contact" information for Deborah Olsen (408-638-8339, [Camping@svmbc.org](mailto:Camping@svmbc.org)) and "Location Info" for Silicon Valley Monterey Bay Council. The Windows taskbar at the bottom shows the time as 2:46 PM on 11/18/2020.
