

Tigers in the Wild

Adventure Requirements

Complete requirements 1 - 3 plus at least one other.

1. With your parent, guardian, or other caring adult, name and collect the Cub Scout Six Essentials you need for a hike. Tell your den leader what you would need to add to your list to prepare for rain.
2. Go for a short hike with your den or family and carry your own gear. Show you know how to get ready for this hike.
3. Do the following:
 - a. Listen while your leader reads the Outdoor Code. Talk about how you can be clean in your outdoor manners.
 - b. Listen while your leader reads the Leave No Trace Principles for Kids. Discuss why you should "Trash your Trash".
 - c. Apply the Outdoor Code and Leave No Trace Principles for Kids on your Tiger den and pack outings. After one outing, share what you did to demonstrate the principles you discussed.
4. While on the hike, find three different kinds of plants, animals, or signs that animals have been on the trail. List what you saw in your *Tiger Handbook*.
5. Participate in an outdoor pack meeting or pack campfire. Sing a song or act out a skit with your Tiger den as a part of the program.
6. Find two different trees and two different types of plants that grow in your area. Write their names in your *Tiger Handbook*.
7. Visit a nature center, zoo, or another outside place with your family or den. Learn more about two animals and write down two interesting things about them in your *Tiger Handbook*.

Parent Corner

Tigers in the Wild is about preparing for outdoor adventures and respecting the outdoors. On this adventure your Scout will learn how to be a Tiger in the Wild

RANK ADVENTURES

Tigers in the Wild

Requirement #1: Six Essentials

What you will need:

- Band Aids, Anti-biotic ointment, Sting Eeze pads, Anti-septic wipes, Zip bag
- 6 essentials activity sheet
- Sunscreen, whistle, water bottle, flashlight, trail food

Instructions

Review the 6 Essentials in your Tiger Cub Scout Handbook

Gather the 6 Essentials and keep them in a place where you can find them quickly when you are ready to go on a hike. Find the first aid materials in your box.

Find the 6 Essentials for Hiking activity sheet on the following page. Cut into individual pieces.

Select the correct cards for the 6 Essentials for Hiking.

Pee Wee Says

What else should you pack to be prepared if rain is coming? You will want to pack a lightweight rain poncho or waterproof jacket and an extra pair of socks.

Is there anything else you should pack? Will you need insect spray?

Requirement #2: Leave No Trace (LNT)

What you will need:

Instructions

Watch this [video](#) to learn more about Leave No Trace.

Listen while a leader reads the Leave No Trace Principles to you:

Leave No Trace Principles

I promise to practice the Leave No Trace Principles where ever I go:

1. Know Before you Go
2. Choose the Right Path
3. Trash Your Trash
4. Be Careful with Fire
5. Respect Wildlife
6. Be Kind to Other Visitors

Pee Wee Says

Trash your "Trash".

Throwing away trash properly is one way to have clean outdoor manners.

RANK ADVENTURES

Tigers in the Wild

Requirement #3: Outdoor Code

What you will need:

Instructions

The Outdoor Code is a promise to take care of nature by following a few simple ideas. Listen while your leader reads the Outdoor Code to you.

Outdoor Code

As an American, I will do my best to
Be Clean in my Outdoor Manners,
Be Careful with Fire,
Be Considerate in the Outdoors,
And be Conservation Minded.

Discuss how you can be clean in your outdoor manners.

Pee Wee Says

One part of the Outdoor Code is a promise to be clean in your outdoor manners. Have you ever been somewhere beautiful and seen trash that someone left behind? Yuck! Now, imagine how that place would look if everyone who visited left their trash behind.

Requirements 2-4 and 6: Hike!

What you will need:

- My Observation Sheets
- Pencil

Instructions

Go for a short hike with your den or family, and carry your own gear.

Apply the Outdoor Code and Leave No Trace principles for Kids on your hike.

While on the Hike, find three different kinds of plants, animals, or signs that animals have been on the trail.

Find two different trees and different types of plants that grow in your area. Record on the Observation Sheets on the following pages.

Discuss what you did to demonstrate the Outdoor Code and Leave No Trace principles.

Pee Wee Says

There is a lot to do here. Here is the list of Achievements in this activity:

2. Go for a short hike with your den or family and carry your own gear. Show you know how to get ready for this hike.

3c. Apply the Outdoor Code and Leave No Trace Principles for Kids on your Tiger den and pack outings. After one outing, share what you did to demonstrate the principles you discussed.

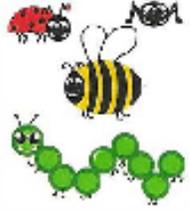

4. While on the hike, find three different kinds of plants, animals, or signs that animals have been on the trail.

6. Find two different trees and two different types of plants that grow in your area

Requirement 7: Nature Center

What you will need:

- Pencil
- Crayons, markers or colored pencils

Instructions

Watch this [video](#) about wildlife.

Learn more about two animals, and write down two interesting things about them in your Tiger handbook.

What 2 animals did you choose?

1. _____

2. _____

Which animals did you like best in the zoo video? You can draw them in the space below.

Pee Wee Says

Animals live on this planet too. We are responsible to maintain their habitat so they can keep living.
